### More Faculty Ebook and Book Data 2017-18

According to library statistics for 2017 the subject areas of arts and behavioral sciences were the most used ebooks in the library’s collection.

Overall, faculty rated the library’s print collection as a 6.6 out of 10. This shows that there is room for improvement according to faculty.
Database Usage According to Faculty

We asked faculty which databases they use the most. (Note: The larger the text = larger the faculty percentage by department.)
